"LAND ACT"

WHEREAS Order in Council No. 465, approved February 26th, 1952, recited that Her Majesty proposed to grant to Trans Mountain Oil Pipe Line Company certain easements or rights-of-way over Crown lands for the purpose of constructing and operating a pipe-line in connection with its undertaking:

And that the said Order in Council provided for certain regulations in general terms relating thereto pursuant to the provisions of subsection (2) of section 257 of the "Land Registry Act," being chapter 171 of the "Revised Statutes of British Columbia, 1948":

And that it is now deemed advisable to set forth certain regulations in more specific terms pursuant to the provisions of the said subsection (2) of section 257 of the said "Land Registry Act" and all other powers thereunto enabling:

And that it is now proposed, pursuant to the provisions of the "Land Act," being chapter 175 of the "Revised Statutes of British Columbia, 1948," and amendments thereto, to grant to the said Trans Mountain Oil Pipe Line Company, a company incorporated by special Act of the Parliament of Canada (hereinafter referred to as "the Company"), certain easements or rights-of-way

over Crown lands for the purpose of constructing and operating a pipe-line in connection with the Company's undertaking:

And that the Company submits that it would be expedient and in the best interests of all concerned if the title conferred by the proposed Crown grants could be registered pursuant to the provisions of the said "Land Registry Act":

And that the said "Land Registry Act" makes provision for the registration of such estates only where the title of Her Majesty to such lands appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations authorizing and governing the registration of such estates pursuant to the provisions of the said subsection (2) of section 257 of the said "Land Registry Act":

And that in certain areas of the Province the Crown grants of such easements or rights-of-way will be issued on the basis of a preliminary or interim plan of the easements or rights-of-way, based upon the plans prepared by the Company for the Board of Transport Commissioners, showing a maximum width of eighteen hundred feet in order to provide for sufficient width to determine the actual dimensions of the easements or rights-of-way when the pipe-line is finally constructed, and that it is the intention of the Company that the actual width of the easements or rights-of-way when finally constructed shall, except in special cases, be reduced to sixty feet, and that for these reasons it is expedient to prescribe regulations governing the preliminary and final surveys of the easements or rights-of-way:

Therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of the said "Land Act," and the said "Land Registry Act," and all other powers thereunto enabling, the following regulations be made:—

1. Where the Crown grants in favour of the Company an easement or right-of-way over Crown land, the Crown grant shall be transmitted to the proper Land Registry Office, and upon receipt of the said Crown grant the Registrar shall enter Her Majesty in the register as the owner of the land described in the said Crown grant. Upon application being made for registration of the Company's title to the easement or right-of-way with respect to such land, and upon compliance with the provisions of the said "Land Act" and the said "Land Registry Act," and of these regulations in so far as they are applicable, the Registrar shall register the title to such easement or right-of-way by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the said Crown grant and in the register shall be subject to amendment at a later date to conform with the boundaries as defined by the final plan provided for in Regulation 4 and in accordance with the procedure prescribed under Regulation 5.

2. On completion of construction of the pipe-line the easement or right-of-way shall be reduced and surveyed to a total width of sixty feet, except where a greater width is deemed necessary, and subject to the approval of the Surveyor-General.

3. Where the final location of the pipe-line is determined before construction, the final survey may be made before construction, except for posting, but such posting shall be carried out within eighteen months after the completion of construction of the pipe-line.

4. Within eighteen months after completion of construction of the pipe-line the Company shall prepare a final plan of the easement or right-of-way, based upon a survey in accordance with the provisions of the "Land Registry Act" and the regulations which the Surveyor-General has issued or may issue, and shall deposit such copies of the plan with the Surveyor-General as he requires. The Surveyor-General shall, after approval, transmit the necessary number of copies of the plan to the proper Land Registry Office for deposit.

5. Where the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows the title of Her Majesty to the land which is subject to the Company's easement or right-of-way and the interest of the Company therein by striking out the description

of the land therein and substituting therefor the description of the land according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall relate back to and have the same force and effect as if that description were contained in the original Crown grant of the right-of-way and registered in the register.

And that the said Order in Council No. 465/52 be deemed to be amended accordingly.

And that a certified copy of this Minute be forwarded to the Deputy Minister of Lands, Parliament Buildings, Victoria, B.C.; the Superintendent of Lands, Parliament Buildings, Victoria, B.C.; the Registrars of the Kamloops and New Westminster Land Registry Offices; and the Inspector of Legal Offices, Court-house, Victoria, B.C.
